

The GHSA Girls' State Track Meet is a marvelous tradition dedicated to athletic excellence, and I am sure that a number of record-setting performances will be seen during this event.

There is no way that a meet of this size could be run effectively without the many hours of work done by a large staff of volunteers. These workers are coordinated by Johnny Seabrooks and Pam Hill of the Dougherty County Schools, and by GHSA Assistant Executive Director, Gary Phillips. Please notice and acknowledge the work of all these people during this competition.

The high quality of the state championship competitions managed by the Georgia High School Association would not be possible without the support of our fine corporate partners. Please notice their signs and banners around the stadium, and utilize their products and services whenever possible.

Best wishes to all the athletes and their coaches! Enjoy yourselves, spectators, and remember to always display good sportsmanship!

Ralph Swearngin GHSA Executive Director
