## A WORD FROM THE EXECUTIVE DIRECTOR

Greetings, GHSA Football Fans:

Welcome to the GHSA - Tommy Guillebeau Football Championships presented by Georgia Farm Bureau. The players, coaches, cheerleaders, and band members from these competing schools have put in many hours of work to prepare for this event. It is my hope that you will appreciate their skills in the magnificent setting of the Georgia Dome this weekend.

The Georgia High School Association thanks you for your support of high school football throughout this season. Spectators are a very important part of all high school athletics, and this is especially true for the school for which you are cheering. We do want to remind you that good sportsmanship is an essential element of high school athletics, and today is no exception. Be positive in your support of all the participants.

Behind the scenes of this great event is a group of hard-working volunteers who will donate many hours of time this weekend to make this experience better for all participants. The GHSA office staff has been working for many weeks on the details that make this event so special. The extremely skilled staff of the Georgia Dome works diligently to support the GHSA in this event, and they stand ready to assist you and your needs. I want to thank all these people for their dedicated work to make this a show-case event.

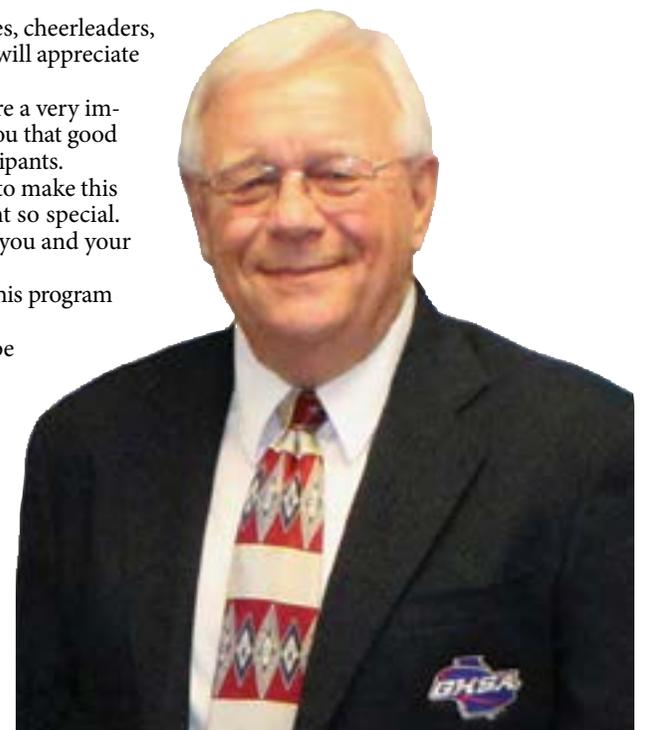

The quality of GHSA events such as this one is made possible through the help of corporate partners whose ads are displayed in this program and around the field. The GHSA thanks these fine organizations, and we encourage you to support them whenever possible.

People throughout the state of Georgia (and in parts of surrounding states) who cannot make it to Atlanta this weekend will be able to share in the experience through live television production provided by Georgia Public Broadcasting. The GHSA thanks GPB for its fine work. These games are also being aired on a number of radio stations across the state on the GHSA Radio Network. Additionally, the games are being streamed simultaneously on www.GPB.org/sports and on www.GHSA.tv.

Now sit back and enjoy high school football at its finest!

Cordially yours,

Dr. Ralph E. Swearngin Jr.  
Executive Director

**GENERAL INFORMATION**

The Georgia Dome, the largest cable-supported domed stadium in the world, opened in 1992. Located in downtown Atlanta, the Dome is the home venue for the Atlanta Falcons, and played host to Super Bowl XXVIII and XXXIV, hosted the gymnastics and basketball events for the 1996 Olympic Games and hosted both a Men's and Women's NCAA Final Four. Annually, the Dome hosts the Bank of America Atlanta Football classic, the SEC Football Championship and the Chick-fil-A Bowl. The Dome is equipped to handle large non-sporting events which include everything from major trade shows to concerts by such entertainers as the Rolling Stones and U2 to religious events by such ministers as Billy Graham and T.D. Jakes.

**BASIC FEATURES**

A total of 8,300 tons of reinforced steel was used to construct the Dome. That is more than the weight of iron and steel used in the Eiffel Tower. A 437-mile sidewalk, from Atlanta to Cincinnati, could be built from the 110,000 cubic yards of concrete used at the Dome. The building covers 8.9 acres and contains 1.6 million square feet on all seven levels. The 290-foot high roof is composed of 130 Teflon-coated fiberglass panels - covering 8.6 acres. The roof's supporting cable totals 11.1 miles and the Dome is as tall as a 27-story building.

**UPCOMING EVENTS**

In addition to Atlanta Falcons home games and the SEC championship game, the Georgia Dome hosts the Chick-fil-A Bowl, the HBCU All-Star Bowl, Monster Jam, the Honda Battle of the Bands and hosted the 2012 NCAA Division I Men's Basketball South Regional. For a complete schedule of events at the Georgia Dome, please visit [www.gadome.com](http://www.gadome.com).

**FOOD SERVICE**

Levy Restaurants manages all catering, concessions and restaurant services. Levy has been recognized internationally for the superb cuisine and service that it provides the Georgia World Congress Center. Levy handles all food and beverage affairs, from small receptions to the world's largest banquets.

**GEORGIA DOME TOURS**

Take a tour of the Georgia Dome, the site of the SEC Football Championship, two Super Bowls, the 1996 Centennial Olympic Games, the 2002 and 2007 Men's and 2003 Women's NCAA Final Fours, Monster Jam, the Chick-fil-A Bowl and WWE Wrestlemania 27. Individual Georgia Dome Tours are offered on Mondays, Wednesdays and Fridays from 10 a.m.-2 p.m. Group tours are available Monday-Saturday except on event days. For details call 404-223-8687.

**SEATING CAPACITY**

There are eight Super Suites, 164 executive suites, the Penthouse Suite and 4,600 club seats. The Dome's permanent seating capacity is 71,250. The Dome has three times the code-required number of restrooms - all are accessible to guests with disabilities. A pair of C-5 military transport planes could fit on the Georgia Dome's floor, which contains 102,000 square feet of space.

**DOMES SERVICE CENTERS**

Need help finding your seat, a water fountain, a kosher dog or the pretzel stand? Stop by one of the eight Dome Service Centers (DSCs) located throughout the Georgia Dome. The Guest Relations Coordinators are there to help, and they want to make sure you have a great time! They also have information on:

**Tag-a-kid Program**

Provides children a bracelet displaying their name, parent's names, phone number and seat location to aid in their safe return if they should become separated from their party.

**Lost and Found**

Items may be turned in or retrieved at all Dome Service Centers.

**Wheelchairs and Assisted-Listening Devices**

There is no charge for these items. A signed credit card form serves as a deposit, which is refunded when the item is returned. Individuals needing wheelchair assistance to their seats will find Guest Relations staff located at each of the eight gates at the Georgia Dome.

**Smoking Wristbands**

For the comfort and health of all fans, the Georgia Dome is a smoke-free environment. Smoking is permitted outside of all entry gates. If you wish to smoke, pick up a wristband at a Dome Service Center and proceed to the designated smoking areas outside the facility. You must present your wristband and your ticket to re-enter the Georgia Dome.

AAAAAA

**PREVIEW**

FLETCHER PROCTOR

**LOVEJOY**

**13-1, Region 2, No. 1 seed**

After making the Class AAAA finals in 2011, Al Hughes' Lovejoy Wildcats (13-1) will now head to the 2012 Class AAAAAA finals after a win at home in the semifinals against North Cobb. Lovejoy spotted the Warriors a 21-7 lead before pouring on the pressure both offensively and defensively. Lovejoy quarterback Alejandro Bennifield has weapons galore with TE Arshad "A.J." Jackson and WR Jumichael Ramos, but it was RB Travis Custis that carried the Wildcats to the semifinal victory. The future Georgia Tech Yellow Jacket carried the rock 28 times for 292 yards and five touchdowns in the 63-42 win and is Lovejoy's all-time leading rusher. Custis is one of six FBS college football commitments. Interestingly, the offensive line is anchored by sophomore center Randy Robinson, who played in all 15 games last season as a freshman.

The Wildcats have scored 42 points per game this season while allowing just nine per contest. So far this postseason, Lovejoy has taken out Tri-Cities 51-13, Marietta 36-15 and North Gwinnett 21-6 before thumping North Cobb. The Wildcats' defense has faced several outstanding individual performers over the first three rounds of the playoffs and systematically eliminated each one.

Defensively, Hughes' team is just as fast as it was in 2011. Cornerback Brandon Davis has five interceptions returned for scores this year and Montrell Custis also notched a pick-six in the semifinals. The defensive secondary is given opportunities as NG Nathaniel Norwood is constantly putting pressure on the opposition's quarterback. The 42 points allowed in the semifinals was the most the Wildcats had allowed all year. The defense has posted four shutouts and held five other opponents to less than eight points.

With 12 straight victories in their pocket, Lovejoy will attempt to equal last year's 14-1 record with another victory in the AAAAAA finals.

**OPPONENT**

**SCORE**

MUNDY'S MILL	WON 44-6
COLQUITT COUNTY	LOST 7-14
ALPHARETTA	WON 43-24
EAST COWETA	WON 30-7
DRUID HILLS	WON 58-3
ROCKDALE COUNTY	WON 41-0
MORROW	WON 50-0
LUELLA	WON 60-0
NEWTON	WON 51-6
ALCOVY	WON 56-0
TRI-CITIES	WON 51-13
MARIETTA	WON 36-15
NORTH GWINNETT	WON 21-6
NORTH COBB	WON 63-42

**NORCROSS**

**14-0, Region 7, No. 1 seed**

Norcross (14-0) is the lone remaining unbeaten team in Class AAAAAA. This may have been a surprise before the season, but the Blue Devils quickly came together after knocking off North Gwinnett in Week 3 and have not looked back since. Keith Maloof's offensive attack begins with RB Alvin Kamara, WR/RB Miles Autry, WR Trey Smith, Clinton Lynch and QB Joseph Wilber also playing major roles for a team that has not scored less than 20 points in any game this season. Kamara is one of the nation's top running back prospects and in the quarterfinal win over Camden County, Kamara rushed for 158 yards on 27 carries and threw for a score out of the Wildcat. In the semifinals, Kamara nearly topped himself by rushing for 133 yards and a score. He also reeled in a screen pass and rumbled 65 yards for another score in the 41-27 win over Colquitt County.

At the quarterback position, Wilber has been Mr. Steady this season, passing for 2,342 yards and 27 scores. He has been able to take advantage of Smith and Autry all year along as Kamara has softened up defenses. Autry has scored 19 times this season. Lynch leads the team with more than 700 yards receiving.

Defensively, DE Lorenzo Carter is nearly unstoppable off the edge. He has recorded more than 20 sacks this season and bookends with Jahmal Jones. Michael Marshall is also a beast on the defensive line. Linebackers Tommy Tate and Kevin Mouhon gobble up ball carriers that manage to sneak past the defensive line. The Norcross secondary is led by cornerbacks Shon Akins and JaQuan Simpkins and safety Jordan Noil. Noil leads the team with five interceptions. This is the first trip to the finals for Norcross and for Maloof, an 18-year coaching veteran.

**OPPONENT**

**SCORE**

SOUTH GWINNETT	WON 35-20
PARKVIEW	WON 20-0
NORTH GWINNETT	WON 31-21

## Norcross Blue Devils

(Norcross, Ga.) • Blue & Silver • Region: 7-AAAAAA

**CLASS AAAAAA SKINNY**

Two explosive offenses will go head to head when Lovejoy faces undefeated Norcross. The Blue Devils defeated the only team to topple Lovejoy this season (Colquitt County), but the Wildcats have won 12 straight since falling to the Packers in the second week of the season. The offenses start with a pair of 2,000-yard running backs in Lovejoy's Travis Custis and Norcross' Alvin Kamara. Both are dangerous with the ball in their hands. The two quarterbacks shouldn't be overshadowed as Lovejoy's Alejandro Bennifield is smooth in the backfield and can throw it all over the yard while Joseph Wilber is lethal with his mistake-free passing style and moxie that showed in the semifinal victory. Defensively, each team will bank on pressure being provided up front to let two opportunistic secondaries make plays. Fans may want to track the sack totals of Lovejoy's Nathaniel Norwood and Norcross' Lorenzo Carter.

RICKY DIMON

**WARE COUNTY**

**13-1, Region 3, No. 1 seed**

The Gators are bidding for their first state championship in school history in their third appearance. After reaching the title game in 1961, they most recently made it back in 2007—when they fell to Northside-Warner Robins 20-14 for the Class AAAA championship. This season got off to a relatively inauspicious start, when Ware County lost to Coffee, a Class AAAAAA opponent, but one that ultimately failed to make the playoffs. Nonetheless, the Gators have won 13 in a row since that initial setback, including 11 straight against Class AAAAAA competition. Only three wins have come by fewer than double-digits and none was more thrilling than a semifinal showdown against none other than Northside-Warner Robins. Ware County squandered all of a 17-7 lead in the final 30 seconds after surrendering a touchdown, an onside kick and a field goal. The Gators recovered with an overtime touchdown run from Xavier Tobler before stopping the Eagles on their ensuing possession.

Tobler rushed for 140 yards and scored all three Ware County touchdowns in the semifinal victory. The senior running back has been the driving force behind the Gators' offense all season and is taking his talents to Georgia Southern next year. It has to be said, however, that head coach Ed Dudley's team relies on its defense. The unit is allowing just 8.6 points per game and boasts five shutouts. Ware County held Stephenson to 63 yards of total offense in a 14-0 quarterfinal blanking and Northside-Warner Robins' 17 points were its fewest of the season. The Gators have not surrendered more than 24 points in any contest. Senior cornerback Tremon Porter had two interceptions in the victory over Stephenson. Tobler, who also stars at linebacker, returned a fumble for a touchdown in a playoff-opening rout of Lakeside-Evans—which managed only six rushing yards.

**GAINESVILLE**

**11-3, Region 8, No. 2 seed**

Will the seventh time be the charm for Gainesville? The Red Elephants have been to the state championship game on six previous occasions, but not once have they taken home the title. They last reached the final game in 2009, getting edged by Peach County 13-12. It did not always look like this would be the year in which Gainesville would get over the hump, as it lost three games—including two in a row at the end of the regular season. But the team's three setbacks came by a combined eight points. The Red Elephants were never particularly cold, but they have gotten scorching hot at the right time. All four playoff victories have come by at least 14 points and they hammered Region 1 top seed Harris County 64-13 in the quarterfinals.

While Gainesville's offense has been consistent from start to finish, it peaked for the playoffs. Head coach Bruce Miller's squad is averaging 45.1 points per game for the year and 48.5 in the postseason. Junior quarterback Deshaun Watson, who has already committed to Clemson, is borderline unstoppable. On the season, Watson has 3,707 yards passing and 1,356 rushing while accounting for 69 total touchdowns. With one more year still to play, Watson is poised to break the Georgia state record for career passing yards on Friday (he is a mere 30 yards short of the record). He exceeded the 9,000-yard mark in a 28-14 semifinal victory over Whitewater. Two of Watson's favorite targets are senior Caleb Hayman, committed to South Alabama, and sophomore Rodney Lackey. Sophomore running back Michael Byrd is another force out of the backfield. Gainesville's defense, led by junior linebacker Devan Stringer, has stepped up of late. The unit limited Whitewater 2,000-yard running back Kendall Conley to 91 yards on 24 carries in the semis.

**CLASS AAAAA SKINNY**

It is a classic case of the immovable object (Ware County defense) and the unstoppable force (Gainesville offense). The Gators come in with five shut-outs this year, including a 14-0 win over Stephenson in the quarterfinals. Ware County also limited explosive Northside-Warner Robins to just 17 points in the semifinals. On offense, QB Jamar Johnson presents a threat running and passing while RB Xavier Tobler, a Georgia Southern commit, pounded the Northside defense for three touchdowns last week. Gainesville's offense starts and ends with QB Deshaun Watson, who has put up video game numbers all season. The Clemson commit will try to do it all today for the Red Elephants who have gone over 60 points twice in the playoff already, mostly due to Watson's play-making ability. However, the Gainesville defense also deserves kudos, as the unit held Whitewater star RB Kendall Conley to just 91 yards last week in the semis.

**AAAA  
PREVIEW**

**RICKY DIMON**

**SANDY CREEK**

**14-0, Region 5, No. 1 seed**

Despite last season's quarterfinal loss to Gainesville, Sandy Creek is building something of a dynasty. The Fighting Patriots won the Class AAAA state championship in 2009 and, dating back to the start of the 2008 campaign, have won 66 of their last 69 games. They are bidding for their second undefeated season in the last three years. Sandy Creek has not even come close to losing a game in 2012. Its narrowest margin of victory is 11 points, against Burke County in the quarterfinals. Nine of the Patriots' 14 contests have been decided by more than 30 points, including two playoff drubbings (55-0 over Eastside in the first round and 35-0 over Monroe Area in the semifinals).

The Fighting Patriots are not even required to live up to their name on offense; they simply score points at will. More than capable of churning out yards both on the ground and through the air, they are averaging 43.9 points per game (and the average could be much higher if many contests were not decided long before the final horn). Junior quarterback Cole Garvin has thrown for 2,288 yards to go along with 19 touchdowns and just six interceptions. Garvin's favorite target is junior wideout Demarre Kitt, who has 62 receptions for 1,041 yards and 10 scores. Sophomore running backs Eric Swinney and Delvin Weems have combined for 2,300 yards and 35 touchdowns. If an opposing defense focuses one aspect of the Sandy Creek arsenal, it will use another angle to exploit that defense. At the same time, the Patriots' defense is holding up its end of the bargain. The unit, which boasts three shutouts and eight times has held teams to seven points or fewer, limited Monroe Area to 117 yards. Carrollton, which runs a wing-T like Ridgeland, managed only seven points and barely more than 100 yards against Sandy Creek on Nov. 2.

OPPONENT	SCORE

EASTSIDE	WON 55-0
DALTON	WON 35-13
BURKE COUNTY	WON 31-20
MONROE AREA	WON 35-0

**RIDGELAND**

**13-1, Region 7, No. 1 seed**

Ridgeland has stormed into its first state championship appearance with a 13-1 record and a 13-game winning streak. Its only loss, which came in the opener on Aug. 31, is nothing about which to be ashamed. Calhoun, which is playing for its second consecutive Class AA title, edged the Panthers 42-35. Ridgeland is averaging 42.1 points per contest and from its second game through Round 2 of the playoffs, it beat every opponent by at least 15 points—and nine of those 10 opponents by more than 20 points. After holding off LaGrange 41-34 and trouncing Mary Persons 45-14, Ridgeland survived Marist 28-27 in a semifinal thriller. Marist scored a touchdown with fewer than four minutes remaining in the game to break a 21-21 tie, but its ensuing PAT was blocked. The Panthers marched down the field and answered with the game-winner, which came on a halfback pass from Darrell Bridges to Shaqualm McCoy with 36 seconds left. Marist still had time of its own, but a field-goal attempt clanged off the upright on the game's final play.

Halfback passes are a staple for Ridgeland, which runs a wing-T offense. From his standard fullback position, Bridges threw two touchdowns and had more than 100 yards through the air against Marist. Still, one cannot go so far as to say that the Panthers' offense is balanced. They arguably boast the most feared group of runners in the state. Bridges has more than 2,200 rushing yards to go along with 39 touchdowns. Senior RB/DB Vonn Bell, who has narrowed down his college choices to Alabama, Ohio State and Tennessee, has also surpassed the 1,000-yard mark out of the backfield. McCoy has more than 550 rushing yards and Noah Cooper has racked up 780 yards on the ground. Bell, who also hauled in a 57-yard touchdown pass from Bridges in the semifinals, garners even more accolades on defense from his safety position.

**CLASS AAAA SKINNY**

A star-studded cast will highlight today's matchup between Ridgeland and Sandy Creek. QB Cole Garvin, WR Damarre Kitt, OL Alan Knott and DB Shaq Wiggins are all major college prospects while Ridgeland counters with two-way athlete Vonn Bell, who is being pursued by Alabama, Ohio State and Tennessee, and RB Darrell Bridges, who rushed for 182 yards and two scores last week in the semifinals while also completing three passes for 110 yards and two more scores. If experience in big games counts, Sandy Creek would have a major edge here. The Patriots have played in two finals in the past three seasons prior to this year while making the playoffs each year since 2002. Ridgeland, however, is somewhat of a Cinderella story after winning 13 games this year, four more than the previous program best. It should be interesting to watch which program rises to the challenge today with all the chips on the table.

**AAA**

**PREVIEW**

**FLETCHER PROCTOR**

**BUFORD**

**11-3, Region 7, No. 2 seed**

The Buford Wolves fell at home for the first time since 2006 earlier this season as AAAAA finalist Gainesville tripped up the Wolves 19-15 on Sept. 7. The Wolves' defense forced five turnovers but couldn't hold a late lead. Since that loss, the offense has exploded for at least 40 points six times not including a pair of 60-point performances that were later forfeited for the use of an ineligible player.

Jess Simpson's offense can thank a pair of standouts on the offensive line in Josh Cardiello and Nick Polino, who set the tone for the power running game. Zavior Hoxie, Dontravious Wilson and Joshua Thomas are three of the multiple backs that have received touches this year and Tre Neal, Jaylon Mize, Mikey Bart and Thomas Wilson are dangerous from the perimeter. Last year, Sam Clay was under center and a threat to pass the ball in any situation, but this year the offense has rotated a pair of quarterbacks with great success. Taylor Mitchell and Montgomery VanGorder have each looked smooth under center, and the pair could be the driving force for yet another state title.

The 4-3 defensive look for Buford features several of those same faces with Bart and Cardiello joining Brandon Brinson and Donte Gordon on the defensive front. Bryson Jordan and Dontravious Wilson join Deion King and Korie Rogers at linebacker. The team picked off three Cartersville passes last week after recovering a pair of fumbles the week prior against Carver-Columbus.

The Wolves traveled the state's most difficult road to the finals, beating an explosive Cedar Grove offense 41-27, a tough North Oconee defense 13-0, an athletic Carver-Columbus 31-7 and an undefeated Cartersville 21-10, with the last three coming on the road.

CARTERSVILLE	WON 21-10

**ST. PIUS X**

**12-2, Region 6, No. 1 seed**

The Golden Lions of St. Pius X reached the program's third finals ever with a standout defensive effort against North Hall in a 31-6 semifinal victory. This season, while the offense has earned plenty of praise for averaging 37.5 points per game, the defense has been simply outstanding by limiting opponents to a total of 193 points, 63 coming in two playoff games. The St. Pius X defensive effort is spearheaded by defensive tackle Quincy Nieporte, linebacker Daniel Crochet and cornerback Michael Sikorski. The three defensive stalwarts give head coach Paul Standard an all-region member at each level of the defense. Tackle Kyle Johnson helped stuff a crucial fourth down play last week against North Hall and Matt Pearson came away with an interception last week in the win. The defense managed to hold an offense that averaged 340 yards on the ground to just 192 rushing yards.

Offensively, quarterback Jack Spear has been aided by Nick Ruffin, Branden Mitchell and Ryan Braswell. Mitchell rushed for a pair of scores and 164 yards against Washington County in the quarterfinals while Braswell tallied 131 yards and two scores against North Hall. Spear is the straw that stirs the drink as he can be effective on the ground and through the air. Spear was named the Region 6-AAA all-region quarterback, and Braswell joined him on the list. Linemen David Marsau and Phineas Andrews also were recognized for their tireless efforts opening up holes for a running game that averages more than 300 yards per contest.

The Golden Lions raised plenty of eyebrows by opening up the postseason with a 72-28 victory over Dawson County. St. Pius X followed that up with a 31-15 win over Hart County, a 40-35 victory over Washington County and the semifinal win over North Hall.

### CLASS AAA SKINNY

While the Buford Wolves will be making the program's sixth straight appearance in the GHSA finals, the St. Pius X Golden Lions will be in the finals for the first time since winning the GHSA Class AA title in 1968. Jess Simpson's Wolves have an offense that likes to get out and run, though don't sleep on Buford going play-action to some capable playmakers on the outside. St. Pius X will have its hands full trying to stop Dontravious Wilson and Zavior Hoxie, but the Golden Lions have their own powerful running game to try and keep Buford's offense on the sidelines. Paul Standard's attack is triggered by Jack Spear, who can run it or pull back and throw it downfield. The Golden Lions have some fine athletes that could offer a different look than past editions of St. Pius X.

The key in this game will be which offensive line controls the opposition's defensive line enough to spring the running game. St. Pius X's Ryan Braswell can run for days, but if Buford linebackers Korie Rogers and Bryson Jordan stuff him early and often, the Wolves have enough power in the defensive secondary to turn over the ball and set up the offense.

RICKY DIMON

**JEFFERSON**

**13-1, Region 8, No. 1 seed**

These are not entirely uncharted waters for Jefferson, but they aren't exactly navigated on a regular basis, either. This is the Dragons' third appearance in a state championship and first since 1977 (they lost at the final hurdle in '75 and '77). In fact, Jefferson had not reached the quarterfinals since that run in 1977. The program suffered second-round defeats in 2003, 2007, 2008 and 2009. This season's campaign almost came to a halt in Round 3. Thriller after thriller has been played around the state in these playoffs, but perhaps none has been more chaotic than Jefferson's nail-biter against Fitzgerald. The host Dragons blocked a field goal to force overtime before Fitzgerald blocked a PAT to force a second overtime. After trading touchdowns and two-point conversions in the second extra frame, Jefferson answered another Purple Hurricanes' touchdown with a score followed by a clinching two-point conversion to win it 53-51.

Senior quarterback Bryant Shirreffs has been getting it done with both his arm and his feet for Jefferson, which is riding a school-record 13-game winning streak. In a 35-7 second-round win over Westminster, Shirreffs rushed for 248 yards and passed for 88 more while accounting for four total touchdowns. Against GAC in the semis, Shirreffs again had four touchdowns while exceeding 100 yards through the air and on the ground. A lethal running game also features junior halfbacks Isaiah Blake and Tristen Jackson. The Dragons are averaging 44.3 points per game in their last 11, but the defense cannot be overlooked. In its last 10 outings, Jefferson has held opponents to seven points or fewer seven times and only once has an opponent scored more than 14 points. Senior linebacker Wesley Simonton had 14 tackles—including three for a loss—against GAC.

OPPONENT	SCORE

FITZGERALD	WON 53-51, (3 OT)
GAC	WON 42-14

**CALHOUN**

**14-0, Region 7, No. 1 seed**

The Yellow Jackets are through to their fifth consecutive Class AA state championship game after getting past Lamar County 21-14 last Friday night. On all four previous occasions they faced Buford—which currently finds itself in the Class AAA final—for the title. Calhoun lost in 2008, 2009 and 2010, but finally toppled the Wolves 27-24 in overtime last season. The program has won 29 consecutive games since a 31-24 heartbreaker against Buford in the 2010 championship game. This year's squad is 14-0 and beating opponents by an average score of 45-14. Only two teams have come within double digits of Calhoun: Lamar County in the semifinals and Ridgeland (which is playing for the Class AAAA title) in the season opener. The Jackets have scored at least 34 points in 13 of 14 contests and the defense has posted four shutouts. In its last 10 outings, Calhoun is giving up a mere 6.5 points per game.

The Yellow Jackets' high-powered attack is led by senior quarterback Taylor Lamb, who was named the 2012 Georgia Gatorade Player of the Year. In 2011, Lamb led the state with 3,638 passing yards to go along with 40 touchdowns. This season, he has passed for 3,229 yards and 34 touchdowns at the expense of just five interceptions. Lamb, who has committed to South Alabama, will be looking to bounce back from being held to a career-low 64 yards through the air against Lamar County. Senior running back Alex Urbano stepped up with 160 rushing yards and two touchdowns. The Jackets' ever-improving defense is headlined by senior cornerback Donnell Anthony, who preserved last week's victory with an interception in his own endzone late in the fourth quarter. Calhoun has forced 10 turnovers through four playoff games, four thanks to Anthony interceptions.

## CLASS AA SKINNY

Both Calhoun and Jefferson possess a strong one-two punch in the backfield. Calhoun has coach Hal Lamb's nephew Taylor at QB and Alex Urbano at RB. Lamb was limited to a career-low 63 passing yards in the semifinal against Lamar County, but ran for 83. Urbano, however, pitched in 160 yards and two scores on the ground for the Yellow Jackets. Jefferson will try to match Lamb and Urbano and raise Calhoun with QB Bryant Shirreffs and RB Tristen Jackson. The pair combined for 213 rushing yards in the semifinal win over GAC while Shirreffs also tossed two touchdown passes. Calhoun comes in with plenty of finals experience along with a 29-game winning streak. Jefferson just set a school record with 13 wins and has won all of those games after a season-opening loss to rival Commerce.

**A-PRIVATE  
PREVIEW**

**FLETCHER PROCTOR**

**PRINCE AVENUE CHRISTIAN**

**11-2, Region 8, No. 4 seed**

Prince Avenue Christian extended its season with a 32-22 victory over 2011 finalist Landmark Christian last week, just one week after upsetting No. 1 Athens Academy. The Wolverines' defense has been the heartbeat of Mark Farriba's team all season, but it was 5-foot-6 junior quarterback Zack Graham that came up with the biggest play of the game in the semifinal win. Graham hit tight end Titus Campbell on a 44-yard touchdown to help build an early lead. Carl Mattox would also contribute 166 yards and two scores to pace the offense, something he has done all season. Mattox rushed for 121 yards and a score in the quarterfinal win over Athens Academy. Bryce Huff and Connor Sibley also are major contributors to the running game.

The defense, meanwhile, has backed up that strong rushing attack with six games of seven or fewer points allowed. Even in the Wolverines' pair of losses, the defense gave up just 14 and 17 points to Athens Academy, the No. 1 seed in the Class A-private bracket, and George Walton Academy, a semifinalist, respectively. Farriba's team has earned its shot at a title thanks to a host of two-way players including Mattox, who also plays defensive back, and Christian Payne. The latter blocked a punt and had a pair of sacks in the win over Athens Academy.

Postseason success has only recently found its way to Prince Avenue Christian in Bogart. The program made the postseason for the first time in 2010 and last year reached the semifinals. PACS should be ready for whatever comes its way in the finals after battling playoff teams such as Savannah Christian, Athens Christian, Athens Academy, Commerce and George Walton Academy before the playoffs even began.

OPPONENT	SCORE
ST. FRANCIS	WON 48-20

DARLINGTON	WON 42-21
ATHENS ACADEMY	WON 24-7
LANDMARK CHRISTIAN	WON 32-22

**EAGLE'S LANDING CHRISTIAN ACAD.**

**12-1, Region 5, No. 2 seed**

The Chargers of Eagle's Landing Christian Academy (12-1) have nearly wiped away all of the demons from the last few seasons. ELCA fell in the semifinals last year and started the year 12-0 in 2010 before losing in the quarterfinals. After stomping Our Lady of Mercy to open up the playoffs, then soundly defeating the defending Class A champions in the quarterfinals, Eagle's Landing Christian Academy took down George Walton Academy 27-14 in the team's closest win of the season.

The Chargers have battled injuries all season. Do-it-all standout Keyante Green missed time earlier in the year and the future Purdue Boilermaker has been hobbled of late with an ankle injury. When healthy, Green has played all over the field for coach Jonathan Gess, including running back, linebacker and some quarterback. Starting quarterback Dalton Etheridge appears to be healthy again, and his touchdown late in the semifinals iced the win for the Chargers. He was also a key player in the huge victory over Savannah Christian, accounting for five scores in the 42-7 win. If Green cannot go, Lane Timpson could see some carries. He scored on a five-yard run against George Walton.

Defensively, Isaac Rochell has been able to play despite wearing a cast for part of the year. The star defensive end will play at Notre Dame next year. In the semifinals, D.J. Curl, Marquis Griffin and Jevious Terry all recorded interceptions against Georgie Walton Academy. The Chargers' defense also held star junior Stanley Williams to just 139 yards and no touchdowns, something the rest of the state had failed to do this season.

Terry's biggest plays came on special teams. Terry, who had just returned from an ankle injury, returned the game's opening kickoff for a score and later blocked and returned a field goal attempt for a score.

**CLASS A-PRIVATE SKINNY**

Prince Avenue Christian and Eagles Landing Christian will both look to control the line of scrimmage with effective running games in an attempt to dominate time of possession. ELCA has the more impressive collection of athletes with Isaac Rochell (Notre Dame) and Keyante Green (Purdue), but Prince Avenue Christian has its own set of playmakers that keep the scoreboard buzzing. Carl Mattox almost never leaves the field for Wolverines head coach Mark Farriba. The running back-defensive back is always in on the action and Jonathan Gess' Chargers should always account for him. If Green is healthy for ELCA, look for him to be moved all over the field on offense. If too much attention is paid his way, Chargers quarterback Dalton Etheridge can burn you with his arms and his legs. This game will be won when one squad finally cracks the other side's stout defense and forces the opposition to play catch up.

**A-PUBLIC  
PREVIEW**

**FLETCHER PROCTOR**

**DOOLY COUNTY**

**11-2, Region 4, No. 5 seed**

Dooly County (11-2) is headed back to the state finals after a 10-year absence. The Bobcats last made the finals in 2002, and before that in 1983, falling both times. The GHSA seeded Dooly County as the No. 5 team in the Class A-Public bracket, but Jimmy Hughes' squad has been an upset machine, tossing aside No. 4 Seminole County 34-28 before taking out No. 1 Lincoln County 10-7.

Defensive tackle Montravius Adams is a monster on the defensive interior at 6-foot-4, 310 pounds. Several recruiting sites list him as the No. 1 player at the position, with one service calling him the best player in Georgia, over the likes of Carl Lawson and Robert Nkemdiche. Last week against Lincoln County, Adams lived in the Red Devils' backfield, harassing whoever had the ball. He also recovered an onside kick and even ran the ball on offense. Other standouts on defense include Tay Daniels and Mark Clark, who teamed up to block a field goal and return it for a score against Lincoln County.

The true offensive standouts could not manage a score against Lincoln County, but quarterback A.J. Smith is more than capable of carrying the load in the postseason. Smith found success against Seminole County in the quarterfinals, passing for 255 yards and four scores. Lloyd and Chanin Hamilton each racked up more than 60 yards rushing in the Bobcats' most recent win.

Dooly County has won six straight games since falling 12-7 to Marion County on Oct. 19. The playoffs have seen the Bobcats pull off a 19-8 win over Turner County before the upsets of Seminole County and Lincoln County. Jimmy Hughes' Bobcats lost in the first round of the playoffs last season.

OPPONENT	SCORE
MACON COUNTY	WON 21-20
AMERICUS-SUMTER	WON 21-12
WILCOX COUNTY	LOST 14-28
BROOKSTONE	WON 7-3
HAWKINSVILLE	WON 24-16
CENTRAL-TALBOTTON	WON 45-0
MARION COUNTY	LOST 7-12
ST. ANNE-PACELLI	WON 47-14
GREENVILLE	WON 35-0
SCHLEY COUNTY	WON 48-0
TURNER COUNTY	WON 19-8
SEMINOLE COUNTY	WON 34-28
LINCOLN COUNTY	WON 10-7

**EMANUEL COUNTY INSTITUTE**

**12-1, Region 3, No. 3 seed**

Emanuel County Institute (12-1) is ready to run wild with James Brown, Greg Purcell and Michael Sutton. ECI rushed for 439 yards in a win over Gordon Lee in Round 1 action and then used Brown and Purcell to put away Trion. In the semifinals against No. 2 Wilcox County, Purcell torched the Patriots' defense for 119 yards while Brown scampered for 105 yards. Brown has now rushed for 437 yards in his team's three postseason games and Purcell has passed the century mark twice after gaining 103 yards against Gordon Lee. Two other ECI backs have racked up at least 400 yards rushing this season, and the trio of Brown, Purcell and Sutton have combined for 2,300 yards and 34 scores.

Caleb Pressley, who has signed to play baseball at Georgia Southern, brings plenty of athleticism to the quarterback position for Chris Kearson's Wing-T offense. He has thrown for nearly 1,000 yards and 14 touchdowns this year.

The defense will need to buckle down after allowing 27 points to Wilcox County in the semifinals. The Bulldogs are giving up just 12 points per game, a number skewed by the 48 points the team allowed on Sept. 7 to AAA power Washington County in ECI's only loss. The Bulldogs allowed just 20 points over one six-game stretch, recording the defense's two shutouts on the year against Portal and Johnson County. Kearson's team entered the GHSA Class-A Public bracket as the No. 3 seed before whipping Gordon Lee 46-12 and Trion 27-10. ECI defeated Wilcox County 38-27 last week.

ECI is back in the finals for the first time since 2008 and is seeking its first title since 2007, when current Thomson head coach Milan Turner roamed the sidelines.

**CLASS A-PUBLIC SKINNY**

Perhaps the best player in the state of Georgia will be on display when Dooly County's Montravius Adams lines up at defensive tackle to try and slow ECI's rushing attack. The Bulldogs feature quite the three-headed rushing attack with Greg Purcell, James Brown and Michael Sutton, but the Bobcats of Dooly County have been limiting offenses throughout the postseason. ECI will look to run its Wing-T attack against the Bobcats to try to neutralize, or at least wear down, Adams. Bulldogs quarterback Caleb Pressley is comfortable in the offense, a recipe for disaster for opposing defenses. The matchup to watch may be how Dooly County's offense fares against a stout ECI defense that hates giving up points. A.J. Smith can impress with his arm, but the offense had trouble getting going against Lincoln County. The offense could receive a boost by Adams in special goal line situations as he is a load to stop.

# GACA HALL OF FAME

The Georgia Athletic Coaches Association was established in 1938 for the advancement of athletics in Georgia and is dedicated to high school coaches in the State of Georgia. The association established the Georgia Athletic Coaches Association's Hall of Fame in the year 2000, with the purpose of honoring and preserving high school coaches' accomplishments and to educate and inspire future generations.

The Northwest Georgia Trade and Convention Center in Dalton has been recognized by the Georgia House of Representatives, the Mayor and Council of the City of Dalton and the Whitfield County Board of Commissioners as the official and permanent site for the Georgia Athletic Coaches Hall of Fame. The Georgia High School Association has also endorsed the GACA Hall of Fame as the official Georgia High School Coaches Hall of Fame.

Annually, there is a Georgia Athletic Coaches Association Hall of Fame reception, awards banquet and golf tournament. During the Hall of Fame banquet, inductees and their families are honored.

*For more GACA information please contact Terry Rogers at 770-578-6366 or trogers@gacacoach.com, or visit www.gacacoach.com.*

# GEMC COOPERATIVE SPIRIT SPORTSMANSHIP AWARD

Georgia High School Association (GHSA) and Georgia Electric Membership Corporation (GEMC) have named the 37 GHSA-member high schools to receive the 2012 GEMC Cooperative Spirit Sportsmanship Award, honoring exemplary sportsmanship demonstrated during the 2011-12 school year.

"We congratulate these high schools for their outstanding sportsmanship," said Dr. Ralph Swearingin, GHSA Executive Director. "School-based athletics should be an extension of the classroom in providing lessons that last for the student's lifetime. Sportsmanship is really nothing more than good citizenship expressed in athletic events, and that is an important life lesson."

Sponsored by GHSA and Georgia's EMCs, the Cooperative Spirit Sportsmanship Awards program was introduced in 2006 to honor GHSA member schools that exhibit outstanding sportsmanship. The awards program is designed to promote sportsmanship by honoring those who do it well, reinforcing GHSA's philosophy: "Student athletes, coaches, spectators, and all others associated with high school activities programs should adhere to the fundamental values of respect, fairness, honesty and responsibility."

The program honors student athletes along with fellow students, school staff, parents and game spectators, making the award not only a school, but also a community honor.

The Cooperative Spirit Sportsmanship Awards are presented annually to GHSA member high schools in the 40 regions in all five classifications. Region GHSA secretaries select winners based on sportsmanship demonstrated during the year.

Representatives from the EMCs have presented sportsmanship trophies to winning high schools within their service territories at presentations during fall athletic events.

A voluntary organization composed of more than 400 public and private high schools, the Georgia High School Association strives to promote good sportsmanship and a cooperative spirit among its member schools.

Georgia EMC is a statewide trade organization representing the state's 42 EMCs, Oglethorpe Power Corporation and Georgia Transmission Corporation. Through a statewide network, Georgia's EMCs provide electricity and related services to four million people, nearly half of Georgia's population, across 73 percent of the state's land area. Georgia's 42 electric membership cooperatives serve more customers than any other state network of EMCs in the nation.

## GHSA SPORTSMANSHIP STATEMENT

*"The GHSA and its member schools have made a commitment to promote good sportsmanship by student/athletes, coaches, and spectators at all GHSA sanctioned events. Profanity, degrading remarks, and intimidating actions directed at officials or competitors will not be tolerated and are grounds for removal from the event site. Spectators are not allowed to enter the competition area during warm-ups or while the contest is being conducted. Thank you for your cooperation in the promotion of good sportsmanship at today's event."*

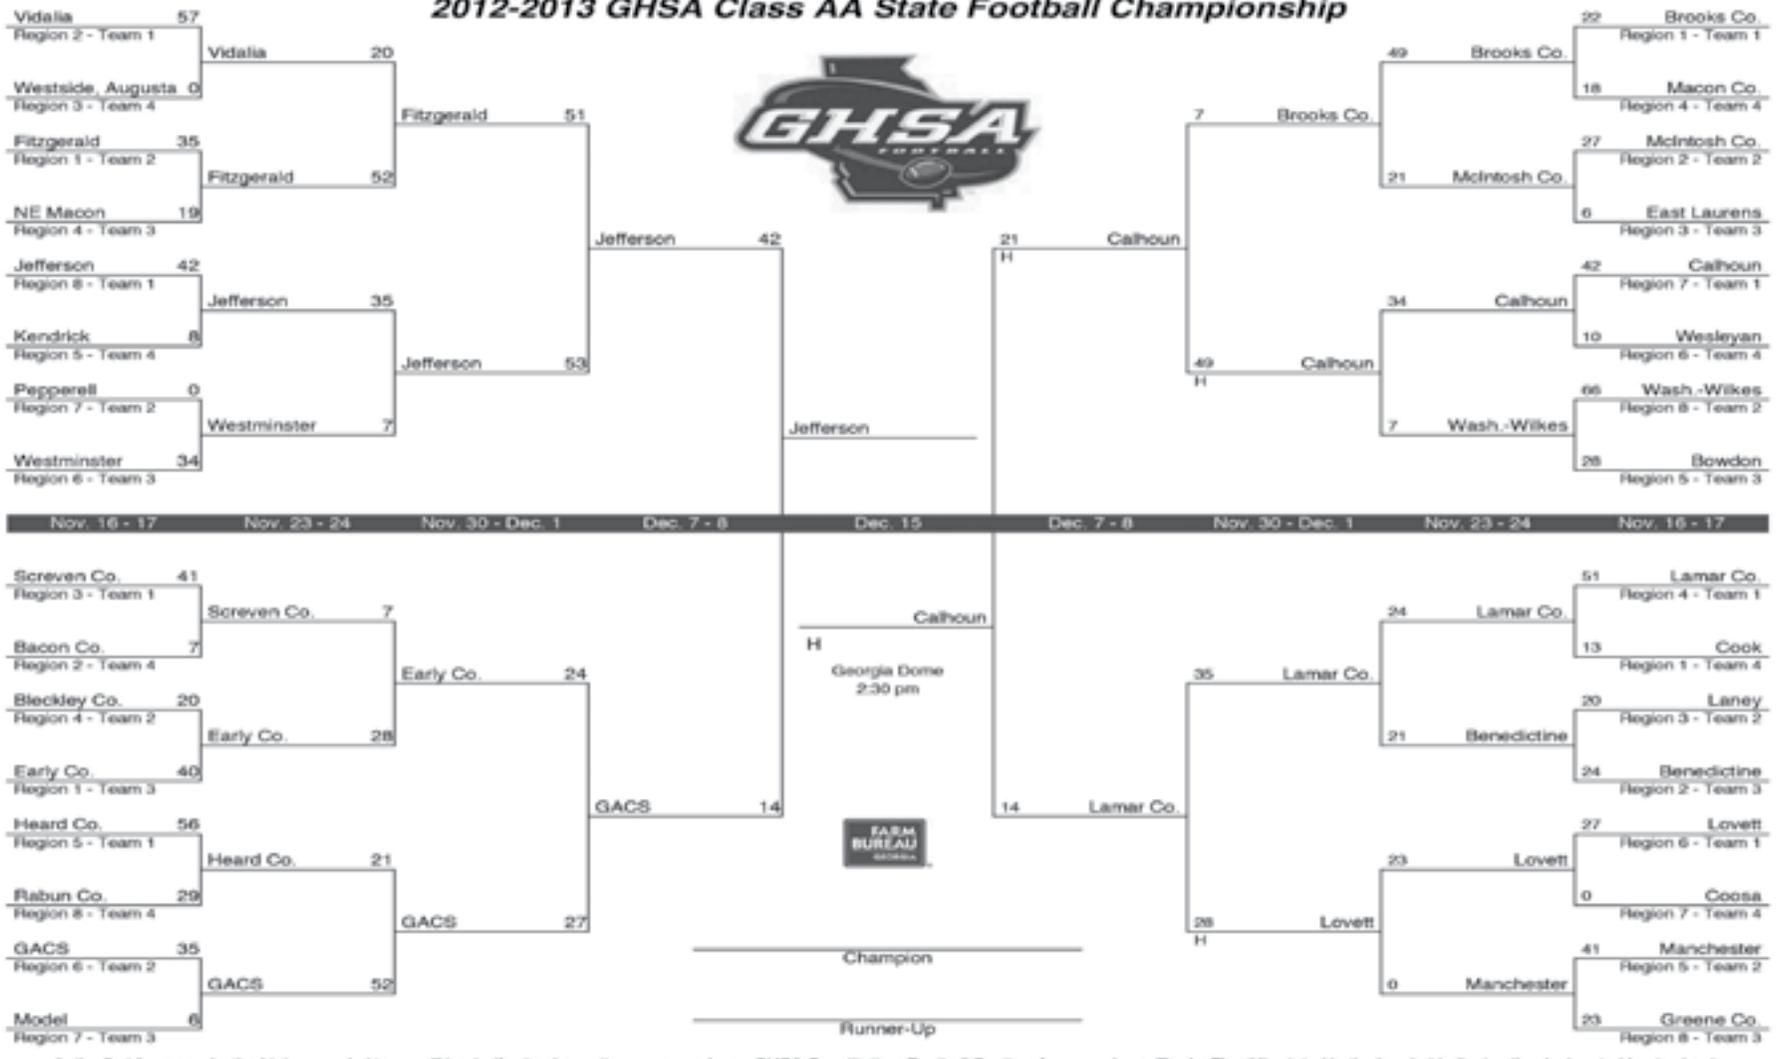

Dr. Dusty Kornegay, Superintendent, Thomas County Schools, next is Ken Harper, Principal, Thomas County Central High School, and Todd Gibbs, Grady EMC employee whose son, Connor, is a starting offensive lineman.

# The Choice of the GHSA and the **Atlanta Falcons**

*"FieldTurf was selected as the official turf of the GHSA because of their commitment to installing some of the safest and highest performing turf systems in the world. We were looking to provide our athletes with the best and it was clear from our research that FieldTurf is the best option." - Dr. Ralph Swearngin*

## Here's why GHSA members put their trust in FieldTurf

- The most innovative product offering
- The safest turf systems
- First class customer service
- The best warranty in the business
- Unmatched quality control
- Vertical integration from fiber to coating
- Unequaled longevity
- Over 7,000 installations worldwide
